

Science & Engineering Practices

Engaging
in

The background image shows a woman in a grey tank top and patterned pants pointing at a research poster titled "Using Research on Fossil Sharks to Engage Children". Two other women, one in a white jacket and one in a black top, are looking at the poster. The poster includes sections for "Fossil Shark Teeth", "Inquiry-Based Science", and "Acknowledgements".

Argument

from

The background image shows a scientist in a white lab coat and a white hat, holding a small object in their hand and examining it closely.

Evidence

The background image shows a close-up of a fossilized shark tooth embedded in a rock matrix. A 10 cm ruler is placed next to it for scale.
